

# II FAT

by Nick Marcy

The image displays a musical score for bass guitar, consisting of 24 numbered measures arranged in eight rows of three. Each measure is written on a bass clef staff and includes a double bar line with repeat dots. The notes are primarily eighth and quarter notes, often beamed together. Many notes have an 'x' below them, indicating fretted notes. Some measures include slurs, accents, or specific articulation marks like a slash with a dot. The measures are numbered #25 through #48.

\* Your goal is to play a measure two times (4/4) or three times (6/4) and link it to another measure, sequential measures are similar shapes but as you travel around the shapes will be harder to play consecutively.
