

# CROW FAT

by Nic Marcy

The musical score consists of 24 numbered measures, arranged in eight rows of three. Each measure is written on a five-line staff with a single eighth note and a cross (x) on the line above, representing a hi-hat. The notes are grouped into pairs, with a bar line between them. The measures are arranged in eight rows of three. Measure #16 includes a circled 'x' on the line above, indicating a specific hi-hat technique.

\* You can play this without an open sound on your hi-hat by lifting your left knee in 16th time while playing eighth notes with your hand.  
1 (ee-knee in the air) down on and (ah-knee in the air) 2 +
